

Event: Postgraduate Symposium on Plant Protection (PSPP)
Organizer: The Malaysian Plant Protection Society (MAPPS)
Date: August 26, 2013
Venue: Residence Hotel, UNITEN
Time: 8.15am-6pm
Fees: RM150/participant (includes lunch)

Important Deadlines: 15 July 2013—Registration & Abstract Submission due; no late submission accepted
12 Aug 2013—Payment due; unpaid registrations will be dropped

Objectives:

- 1) To promote scientific work on plant protection in Malaysia
- 2) To encourage young scientists to develop and share their work on plant protection
- 3) To foster networking of plant protection scientists

Who can participate: Presenters must be postgraduate students pursuing a degree in a Malaysian university. The study presented must be related to plant protection.

Format of presentation: There will be oral presentations and poster presentations. Oral presentation will be 15 minutes long including 3 minutes for Q & A. Posters will be displayed throughout the Symposium, and presenters are required to stand by their posters during allocated time.

Awards: Presentations will be evaluated by a panel of judges. The best five presentations from both oral and poster sections will be awarded.

Please send the registration form to the Secretariat at secretariatpspp2013@gmail.com or fax to 03-8938 1014.

Along with the registration form, presenters **MUST** also submit their abstract using the Abstract Submission Form. Otherwise, your registration will be rejected.
