

## **MAPPS Education Thrust Fund (ETF)**

MAPPS is organizing the International Conference on Plant Protection in the Tropics (10<sup>th</sup>ICPPT) which will be held on 6<sup>th</sup>-8<sup>th</sup> August 2018, at Melaka International Trade Centre (MITC) Melaka, Malaysia. The conference aims to promote scientific work on plant protection in Malaysia, to encourage young scientists to develop and share their work on plant protection, and to foster networking of plant protectionists.

MAPPS ETF is seeking 10 local students who are the best and brightest in their field to attend and present a paper at the 10thICPPT in Melaka, Malaysia. MAPPS ETF will cover the conference fee, RM650.00. The sponsored students will be helping the Organizing Committee in running the presentation sessions and registration during the conference.

**STATUS:** OPEN

**DEADLINE:** July 15, 2018 at Noon.

**AWARD:** RM650 (Conference fee will be waived)

**NOTIFICATIONS:** July 2018
