# 27<sup>th</sup> Asian-Pacific Weed Science Society Conference 2019

September 3-6, 2019 | Kuching, Sarawak, Malaysia

## “Weed Science for Sustainable Agriculture and Environment”

Organized by:

Supported by:

BY SARAWAK CONVENTION BUREAU

## INVITATION

The Malaysian Plant Protection Society (MAPPS) is pleased to organize the 27<sup>th</sup> Asian-Pacific Weed Science Society Conference 2019 (27<sup>th</sup> APWSS) from September 3-6, 2019 in Kuching, Sarawak, Malaysia. You are cordially invited to participate in the conference.

## PROGRAMME

The 27<sup>th</sup> APWSS with the theme “Weed Science for Sustainable Agriculture and Environment” will focus on developments in the science of weed management and discuss challenges faced by researchers, practitioners and consumers on problems related to weed management. The programme will accommodate a keynote address with two plenary papers, concurrent oral sessions and poster presentations. The conference will cover the following subjects;

- Weed biology, physiology and ecology
- Weed management in cropped areas
- Weed management in non-cropped areas and aquatic system
- Herbicide resistant weeds and herbicide tolerant crops
- Allelopathy and allelochemical in weed management
- Biological weed control
- Climate change impact on crop-weed interaction and management
- Invasive weed management
- Weed risk assessment, management and quarantine method
- Herbicide behaviour in soil and water
- Education and extension in weed science
- Herbicide formulation and application technology
- Novel herbicides and herbicide mode of action
- Utilization of weeds for value-added products
- Precision and advances in weed control technology

## VENUE AND ACCOMMODATION

The 27<sup>th</sup> APWSS will be held in Kuching, Sarawak, Malaysia. Kuching is a vibrant destination that offers a wide range of high class accommodation, facilities, shopping plazas, museums, and fascinating nooks to explore in Kuching, not to mention nightlife and bustling Kuching Waterfront. The best part is that everything is within walking distance! It will take you just 15 minutes to reach many places within Kuching City. Whether you are seeking relaxation, immersion into nature, amazing cultural experiences, or breath-taking adventure, Kuching has something for everyone!

## WHO SHOULD ATTEND

Academicians, scientists, industrialists, environmental and natural resources experts, policy makers, entrepreneurs, students, post-graduate researchers and interested individuals.

## KEYNOTE SPEAKER

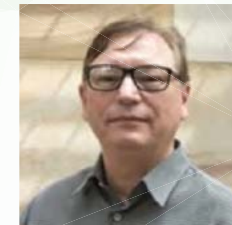

**Prof. Dr. Stephen Powles**

Herbicide Resistance and its Management in Asian-Pacific: Challenges and Opportunities

## PLENARY SPEAKERS

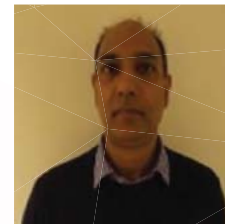

**Prof. Dr. Emeritus Robert Zimdahl**

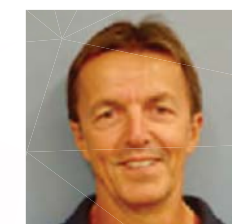

**Prof. Dr. Stephen William Adkins**

**Prof. Dr. Do-Soon Kim**

**Dr. Shiv Shankar Kaundun**

**Dr. Michael D. Day**

**Dr. A. N. Rao**

**Prof. Dr. Samunder Singh**

**Dr. Nimal Chandrasena**
